Dear Parents and Carers,

## Relationship, Sex and Health Education: Parent/ Carer Consultation

1<sup>st</sup>- 15<sup>th</sup> March 2021

As part of your child's education at Etwall Primary, we promote personal wellbeing development by giving children the knowledge, understanding, attitudes and practical skills to live safe, healthy, productive lives to help them meet their full potential.

You may be aware that the Department for Education has introduced new guidance for schools on how they are to deliver their 'Relationships, Sex and Health Curriculum' from September 2020. As part of the new statutory requirements we have ensured our RSE policy has been updated and is reflective of what our curriculum delivers in school. As part of the process of updating our policy and curriculum to ensure it meets the statutory guidance and also meets the views and beliefs of the families we serve- we would like to consult with parents and carers of our school community. To do this effectively we have created an information page on our school website with the useful and informative documents to guide you through what RSHE is and what your child will be learning in relation to the RSHE curriculum. **Our consultation period will be running from 1<sup>st</sup> March – 15<sup>th</sup> March**, so please respond with any feedback during this time frame.

Available on the school website:

- This covering letter
- Information PowerPoint about RSHE at Etwall Primary
- RSHE Guide for parents (DfE document)
- Link to a short survey (also available on this letter)

We had originally planned to host a parent/carers workshop to deliver this information 'live', however, under the current circumstances we feel it best to upload the information and allow you to have a read through at a convenient time.

Please take a look the information and resources available and complete our short online survey. As a school community, we are committed to working in partnership with you and look forward to your comments and feedback.
