CLASSES

Our classes are all named after birds.

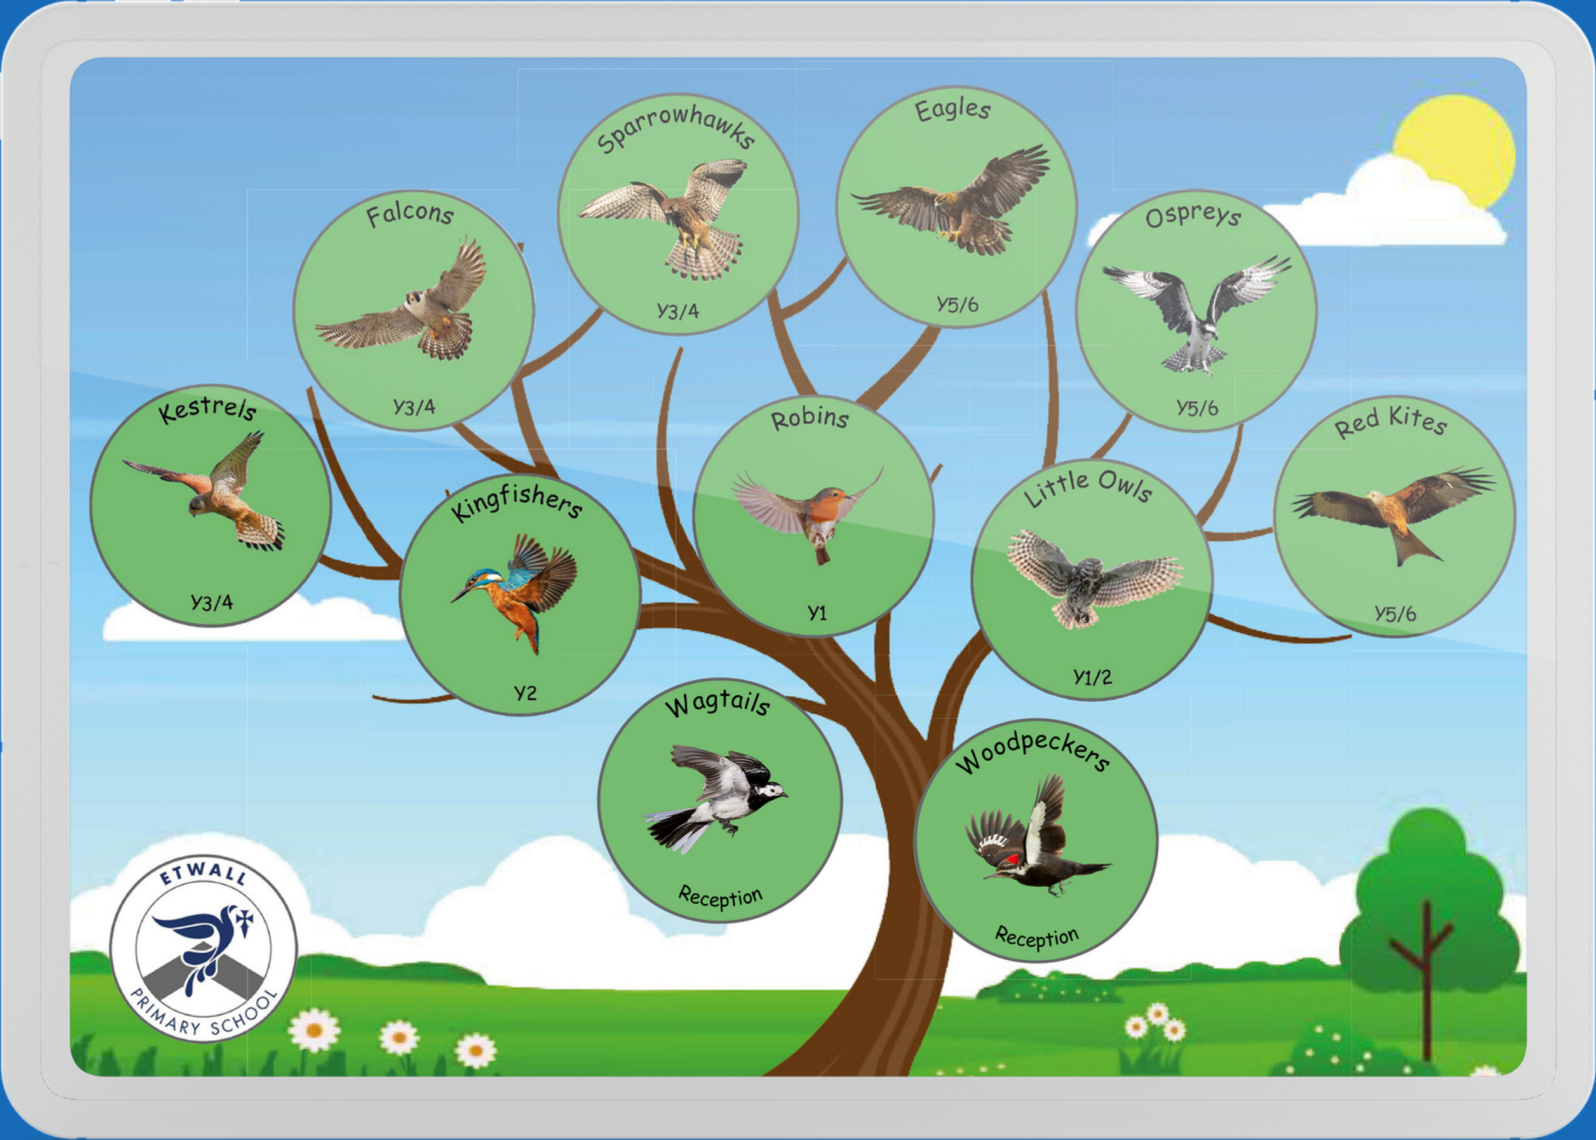

We have two Reception classes called Woodpeckers and Wagtails. They are based in our EYFS unit which is open plan, meaning that children play together even if they are not in the same class group.

Robins, Little Owls and Kingfishers are our Y1/2 classes (keystage 1)

This year, we have a Year 1 class (Robins), a Year 1/2 class (Little Owls) and a Year 2 class (Kingfishers). We have an additional teacher in the mornings so that Year 1 and Year 2 are taught in single age groups for core subjects of Reading, Writing and Maths.

Kestrels, Falcons and Sparrowhawks are our Y3/4 classes (lower keystage 2)

Red Kites, Eagles and Ospreys are our Y5/6 classes (upper keystage 2)

ENRICHMENT CLUBS

We believe that it is important that children extend their interests and talents as much as possible outside of the classroom.

Therefore, we offer a range of clubs that run after school or at lunchtime by our own school staff. These include:

Lego Club
Story Club
Gardening Club
Code Club

First Aid Club
Imagineering Club
Drawing Club
EYFS Games Club

We also use a range of external providers to help us in our aim of catering for all interests and all ages.

REWARDS AND RECOGNITION

Etwall Primary School promote good behaviour through praise, encouragement and through restorative practice. Our aim is to show every child that their efforts are recognised. This may be done by quiet praise, sharing good work or behaviour with another teacher or receiving praise from the headteacher or in a celebration assembly.

We use a restorative approach where we teach child the impact of their actions, encouraging them to be empathetic to others and to fix their mistakes.

OUR SCHOOL RULES

We have three simple rules that all children are expected to follow at Etwall Primary School. We love to celebrate children making great behaviour choices in our weekly celebration assemblies.

HOW WE LEARN

We believe that children learn best when they are in an environment where they feel safe and their imagination is stimulated. This is why we work really hard to ensure that all of our classrooms engage our pupils.

The early years foundation stage (EYFS) sets standards for the learning, development and care of your child from birth to 5 years old. The children will mostly be taught through games and play. The areas of learning are: Communication and language Physical development Personal, social and emotional development Literacy Mathematics Understanding the world Expressive arts and design
