

### Christian place of worship:

Christians worship in a church. Some churches are called Anglican churches and others called Baptist churches.

Baptist churches are supported by pastors and all people are considered as equal. At Anglican churches, a priest leads.

There are different beliefs between the churches, however both have an empty cross to show Jesus rose from the dead.

# Etwall Primary School

## If God is everywhere, why go to a place of worship?

### Year 5/6

### Hindu place of worship:

Hindu's worship both at home and at the Mandir. There are similarities and difference between these, however both include water, food, the OM sound, a murti, a bell and a lamp.

### Jewish place of worship:

Jewish people worship in a synagogue. They have different purposes and are different depending on whether they are Orthodox (traditional) or Reform (modernised). There are differences such as in Reform men and women sit together, and in Orthodox they sit separately.

### What is a place of worship?

This is a specially designed place where individuals or groups of people can go to perform acts of religious study, such as praying to their God.

## Key Vocabulary
