It was late at night and Smartie the Penguin was WIDE awake... He was too excited to sleep because tomorrow was his birthday. He was really hoping to be given a new tablet!

The big day came and Smartie had really enjoyed his birthday party. He had saved his most exciting looking present until the end.

“Oh I really hope this is a tablet of my own!” he thought as he began to open it.

Smartie tore off the wrapping paper in a hurry! Mummy and Daddy Penguin had bought him a brand new tablet. Just what he wanted!

Oh! Thank you, thank you, thank you!

Smartie's parents enjoy using the internet and are always there to help Smartie.

Smartie was allowed to play on his tablet once in the morning and once in the afternoon.

Mummy Penguin helped Smartie to get online and he was off!

Smartie was having a super time and decided to use the internet to find out more about polar bears. When Smartie tapped 'search,' something startling popped up on his screen.

It was scary and Smartie didn't know what to do. <sup>8</sup>

“Oh no!” thought Smartie. “One of the pictures looks a little scary, I don’t want to see that! I hope mummy and daddy won’t think I’ve searched for this!”

Oh no! I don't want to see that!

Smartie saw that there was a red cross in the corner so he tapped it but it just made the picture even bigger!

What do I do now?

Can you help Smartie make the right decision?

Should he try to fix the problem by himself and get rid of the picture, or should he ask his parents for help?

Time to chat 

“Help!” cried Smartie. “Daddy, Mummy, please help me! Something has gone terribly wrong. There’s a scary picture on my screen and I don’t want to see it.”

“Well done Smartie,”  
said Daddy Penguin.

“You are a SUPERSTAR!

Well done for asking for  
help and not trying to  
fix it by yourself.

The red cross doesn't  
always get rid of things  
so it is best to ask us to  
help you.”

Mummy Penguin was so pleased with what Smartie had done, she taught him a song to help him make sensible choices on the internet in the future...

**Sing with  
me!**

**Before you  
tap and click...**

**You need to  
stop and  
think...**

**And TELL  
someone!**

Mummy Penguin **deleted** the picture that had popped up and Smartie continued to play on his tablet.

The next morning, Smartie rushed downstairs to keep looking online. Daddy Penguin was already up and about, reading his newspaper in the kitchen.

Smartie went on to the internet and typed in, 'All about polar bears.'

Smartie tapped on the first website but it was very confusing! It said that polar bears live on the beach but Smartie was sure they liked the cold weather, just like him!

Smartie thought that everything on the internet was true, but this didn't sound right. He was feeling very confused.

**This is so strange, what  
do I believe now?!**

sound right!

# What should Smartie do?

Should he just believe what the internet says or should he ask for help to find the right information?

Let's help Smartie to make the right decision by singing Mummy Penguin's song! One, two, three...

**All sing  
together!**

**Before you  
tap and click...**

**You need to  
stop and  
think...**

**And TELL  
someone!**

“Help!” shouted Smartie. “Mummy, Daddy, please help me. I’m trying to find out more about polar bears but the information doesn’t sound right!”

“Smartie,” replied Mummy Penguin, “what a CLEVER little penguin you are! Not everything online is true so it is always best to check with a grown up first.”

Mummy Penguin helped Smartie find the right information and everything was fine again.

Later on that afternoon...

Can you guess what Smartie was doing?

That's right! Smartie was back on his tablet playing his favourite game, Snowcraft. He was getting better and better and trying to beat his top score from yesterday.

All of a sudden, the tablet beeped and a message appeared on the screen. Another player was trying to talk to Smartie. Smartie felt quite excited.

The other player continued to talk. "Where do you live?" she asked. Smartie wanted to reply; he wanted to be friendly. But he was also beginning to feel worried.

# What should Smartie do?

Should he reply to the message and talk to the other player or should he tell Mummy and Daddy instead?

Time to chat 

Let's help Smartie to make the right decision by singing his special song! One, two, three...

Let's sing  
together!

Before you  
tap and click...

You need to  
stop and  
think...

And TELL  
someone!

“Daddy Penguin!  
Mummy Penguin!”  
called Smartie.

“Someone is  
trying to talk to  
me and I don’t  
know them. What  
shall I do?”

“Oh Smartie,  
you have been  
so SENSIBLE,”  
said Daddy  
Penguin.

“The other player was asking for your **personal information**. You must keep your personal information safe online and never share it with anyone.”

What other things  
are my **personal  
information**?

Time to chat

“If you’re not sure about someone who is talking to you, or they make you feel worried, then always tell us. Not everybody tells the truth on the internet, and because you don’t know this person in the real world, they are still a stranger.

I will show you how you can stop this player from speaking to you again.”

From that day on, Smartie the Penguin always knew how to be safe when using his tablet and playing on the internet!

If anything happened that made him feel worried, upset or confused he didn't try to fix things by himself...

# Time to chat

He stopped...

thought about what to  
do...

and always asked an adult  
for help.

# Smartie's message to you

I am very lucky because I have mummy and daddy penguin to help me! But who can help you?
