

Key Priority	To embed the geography curriculum, ensuring that there is consistency through the structure of lessons, diversity represented, and quality of the learning experiences in geography so that all pupils apply their knowledge and skills with increasing fluency and independence to achieve age-related outcomes across the curriculum.	Monitoring documents to support evaluation and share with Governors
Individual Strands within the priority area	1.1 Ensure a diverse curriculum is in place which represents the needs of children, in terms of culture, people and experiences studied	<ul style="list-style-type: none"> • Curriculum Overviews • Subject Monitoring files • School Improvement Plan (SIP) • Subject Reports/Link Gov reports <p><i>Colour Code:</i> <i>Autumn Actions</i> <i>Spring Actions</i> <i>Summer Actions</i></p>
	1.2 Ensure the structure of lessons, including varied retrieval practice, supports the teaching of geography.	
	1.3 Ensure the history curriculum is reviewed to ensure key objectives are developed throughout the school and the curriculum overviews reflect this.	
	1.4 Ensure monitoring and the development of the geography curriculum and its assessment, and communicate these developments to relevant stakeholders.	
	1.5	

Ensure a diverse curriculum is in place which represents the needs of children, in terms of culture, people and experiences studied.						
No.	Action	Lead Person	Monitored by	Method of Monitoring	Resource Finance	Success Criteria Milestones/Progress
1.1	Research into diverse culture, people and experiences within geography.	BS/KK	Curr. Lead	Subject leader discussions	Subject leader time for meeting. Directed Time	Familiarisation into what a diverse curriculum means.
						Key role models, events etc have been researched that link to the geography curriculum.
						Staff meeting attended about diversity.
	The geography overviews show a diversity that represents modern Britain.	BS/KK	Curr. Lead	Adapted reviews Emails/staff meeting led	Subject Leader Time Directed Time	A list of role models, culture and experiences that are explicitly discussed in the lessons. Curriculum overviews are adapted as necessary to make them more diverse Changes are presented to staff.

Ensure the structure of lessons, including varied retrieval practice, supports the teaching of geography.						
No.	Action	Lead Person	Monitored by	Method of Monitoring	Resource Finance	Success Criteria Milestones/Progress
1.2	Adapt the school's lesson structure and varied retrieval, as necessary, to enable the best lesson design in geography.	BS/KK	Curr. lead	New lesson structure.	Staff Meeting time/Directed time.	Staff meeting attended on 'general' lesson structure and varied retrieval.

				Staff meeting attendance and participation.		Thought given into how this lesson structure works for geography and any adaptations that need to be made, and these discussed with the curriculum lead.
						New lesson structure shared with all staff if necessary.
						Lesson structure is used across the school.

1.3 Ensure geography reviewed to ensure key objectives are developed throughout the school and the curriculum overviews reflect this.

No.	Action	Lead Person	Monitored by	Method of Monitoring	Resource Finance	Success Criteria Milestones/Progress
1.3	Develop key objectives that need to be taught through geography within each age phase to ensure a deep mastery understanding.	BS/KK	Curr. lead		Subject leader time Directed Time	Key objectives are developed from the national curriculum for geography.
	The geography curriculum is reviewed and is ready for cycle A with key objectives identified and a new curriculum map that supports this.	BS/KK	Curr. Lead		Subject leader time Directed Time	Some units are removed from the curriculum to ensure more space for mastery understanding as necessary Units are more varied in length depending on the essential teaching material within them.

Ensure monitoring and the development of the geography curriculum and it's assessment, and communicate these developments to relevant stakeholders.
