Oh I Do Like to be Beside the Seaside

Y1/2

Key Vocabulary

United Kingdom

England, Scotland, Wales and Northern Ireland

Bay

Part of the coast where the land curves in and is surrounded by the sea on 3 sides.

Beach

A pebbly or sandy shore, especially by the sea.

Cliff

A steep rock face

Sea

A large area of salty water that surrounds the land

Ocean

A large area of sea

Cave

A natural underground chamber in a cliff or hillside.

Harbour

A place on the coast where ships moor.

Pier

A platform that comes out into the sea

Physical Features of a seaside

A seaside resort has many physical features.

Features such as the beach, the sea, cliffs and caves have been made naturally. This means they were made by nature.

Human Features of a seaside

Human features found at the seaside include the pier, the promenade, a lighthouse and fair-ground. These are all man-made.

Seasonal Changes

There are changes in weather in each season. In spring it is often rainy and the temperature begins to get warmer.

In summer, the sun is much stronger. The temperature is warmer than any other season.

In autumn, the weather turns chillier, windier and there is often rain.

In winter, it is often cold and frosty. It has to be freezing to snow.

How the Weather affects us

The weather affects what we do and what we wear. If it is rainy, we wear waterproof clothes when we go outside.

At the seaside, we need to wear sun cream and sun hats.
