

Etwall Primary School – RE Progression Map

Our End Goal

What will our pupils be able to do when they leave Etwall Primary School?

Our pupils will have developed a sense of identity and belonging, allowing them to flourish individually within their communities and as citizens in a multicultural society and global community. As well as gaining subject knowledge of at least four religions, they will have developed self-confidence of their own religious views whilst having a good understanding and appreciation of others views, allowing them to show sensitivity and mutual respect – a skill needed in modern day Britain. This will be further enhanced by links to PSHCE and British Values. Pupils will be taught how to pose questions to find a greater understanding of religions and will have a more philosophical approach in finding answers to these questions. The skills and knowledge will be built on year upon year so our pupils leave Etwall Primary School being able to reflect on what they have learnt and transfer this to the wider community.
