

South Derbyshire Neurodevelopmental Community Hubs

The South Derbyshire Neurodevelopmental Community Hubs are a free service commissioned by the NHS/Joined Up Care Derbyshire to provide information and advice to children and young people (aged 0-25) and their families in the South Derbyshire area that may be neurodivergent.

No formal diagnosis or professional referral is needed to access our service.

How can we help?

One of our advisors will see how they support you, including sharing information and resources, going through any available strategies and signposting to other local services. As we are part of Citizens Advice Mid Mercia we can also offer free support on secondary issues such as benefits, housing or advice!
